

# HOUSTON BOTANIC GARDEN

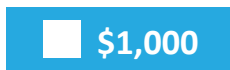

Beginning fall 2020, HBG's updated bridge across Sims Bayou will be a popular spot for visitors to enjoy the beautiful views while noting the names of donors who helped grow the Garden.

Bayou Bridge gifts and pledges received by **OCTOBER 7** will count toward the \$750,000 challenge grant from The Mabee Foundation and help us successfully finish our \$35 million *Grow Houston's Garden* campaign.
