Sponsor Public Events

Music in the Garden

Each Sunday for six weeks, the sound of live music will combine with the aural sensations of nature to provide attendees with a refreshing, family-friendly outdoor cultural experience.

Lightscape at Houston Botanic Garden

The world-renowned light show is making its way to the U.S. with an immersive holiday light experience at the Houston Botanic Garden. This winter, visitors will enjoy unique and impressive light displays in dialogue with the beautiful, botanical landscape of the Houston Botanic Garden.

Art in the Garden

Museum-goers and art-lovers will be thrilled to visit our upcoming art exhibition, hosted at the Houston Botanic Garden. Various works of art will be featured and will intermingle with the Garden's curated displays and natural landscapes, creating a unique and inspiring experience for visitors.

BotaniCamp

Houston Botanic Garden presents BotaniCamp, an eight-week, plant-centric nature camp for K-5 students. The sensory and inquiry-driven curriculum will present many opportunities to go beyond just observation. Each week's theme will help campers connect with plants through thoughtful and diverse lessons and hands-on activities.

Educational Programs

The Houston Botanic Garden offers learners of all ages, backgrounds, and abilities a variety of opportunities to discover plants and grow in appreciation of the natural world. We offer educational programs and workshops covering horticulture and gardening; culture and culinary arts; nature and conservation; and health and wellness.

Corporate Volunteer Day

Volunteers are vital members of our team who share their time and talents to help us achieve our goals. Get your hands dirty outside with our horticulture team, scan tickets and greet visitors at the gate to help our visitor services staff, or assist with administrative tasks in our office — the possibilities are numerous.

Venue Rentals

Host corporate luncheons, board retreats, conferences, meetings, and company parties in one of our beautiful venue spaces. Spaces include climate controlled tents, the Alcoves, a petite pavilion, and spaces throughout the Global Collection Garden.
